Dear Sir:

In response to the Office Action mailed 15 October 2003, applicant elects the following species for initial examination:

- a) Carrier: HSA Human serum albumin);
- b) Drug moiety: Doxorubicin;
- c) Spacer molecule: Phenyl Acetic Acid Hydrazide; and
- d) Thiol binding group: Maleinimido.

These are the components of the A-DOXO-HYD-C structure described beginning at page 34, paragraph [0082] of the specification and are representative of one embodiment of the invention.

Applicant understands that this election of a single species of the invention is made to facilitate proper classification and to initiate examination and that, the elected species being found allowable, the remaining species disclosed and claimed will be examined.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Director of the United States Patent & Trademark Office, P.O. Box 1450, Alexandria, VA 22313-1450 on NOV. 10, 2003

Date 11/10/2003

Respectfully submitted,
